**Standardised Naming Arrangement for the
18 Chinese Medicine Clinics cum Training and Research Centres**

In alignment with the Government’s Chinese medicine policy, all 18 Chinese Medicine Clinics cum Training and Research Centres (CMCTRs) will adopt a standardised naming by district with effect from 1 July 2026 (Wednesday). Each CMCTR will be renamed as “[District Name] Chinese Medicine Clinic cum Training and Research Centre” to clearly reflect its district-based and public-serving positioning and development direction.

After renaming, 18 CMCTRs’ daily operations, service arrangements and appointment booking methods would remain unchanged. Patients’ past medical records and information would not be affected. CMCTRs would not call or request patients to provide any additional personal information for the renaming.

The new names and relevant information of the 18 CMCTRs are as follows:
