

**Service Arrangement for Winter Sanjiu Tianjiu**  
**At 18 Chinese Medicine Clinics cum Training and Research Centres in 2024-25**

18 Chinese Medicine Clinics cum Training and Research Centres (CMCTRs) are established and operated under a tripartite collaboration model involving the Hospital Authority, non-governmental organisations (NGOs) and local universities. The NGOs are responsible for the day-to-day clinic operation and provide Chinese medicine (CM) services for the citizens.

18 CMCTRs will launch the Winter Sanjiu Tianjiu services starting from 20 December 2024. Residents may contact the 18 CMCTRs for enquiry on service arrangement and appointment booking. The service will be available until 18 January 2025. Besides, there will be a special offer for the elderly aged 65 or above to enroll at half-price as a support event of the first "Hong Kong Chinese Medicine Culture Festival" organised by Health Bureau, aiming to encourage elderly people to embrace healthy lifestyle and raise their awareness on disease prevention concept in CM.
